SCHOOL NEWS

OFFICIAL NEWSLETTER OF ROSEDALE PRIMARY SCHOOL

PRINCIPAL'S MESSAGE

TERM 1 WEEK 5

Dear Parents and Carers,

Welcome back to the warm weather, finally. Maybe a bit too warm, but rest assured, we are implementing our Sun Smart policy. We are setting up sunscreen stations in each of the classrooms, using our air conditioners and applying our No Hat, No Play policy. Our updated Sun Smart Policy can be found on our website.

Compass

Thank you for your support and for the time you are investing in learning how to use Compass. We are also learning how to use it. Please note, our front office has now sent out information and permissions for the school excursion. We note many parents and carers have not submitted their consent, at this stage. Without your permission, your child/ren cannot attend the excursion. You will have received an email link to the booking site. Similarly, some of our parents and carers have been notified about Student Support Group meeting times. Our Prep parents have also been notified about the date and time to meet with Ms Campion for your Semester One Parent-Teacher Interview.

Next week, we will forward an invitation for parents of the remaining classes to book a parent-teacher interview time.

Barbeque and Open Day

On Wednesday, 1 March, we invite the community to visit the school, enjoy a free sausage sizzle and visit your child/ren's classroom. This is an informal opportunity for you to meet and get to know our teachers and staff. You can see where your child/ren sit, have a look at their bookwork and introduce yourself to the classroom teacher. Our formal parent-teacher interviews will take place on Wednesday 8 March and Thursday 9 March. A range of times will be available for booking over these two days. During this interview, academic and social/emotional information will be shared. We look forward to seeing you at both of these events.

Living things

The fabulous living things learning opportunities continue at Rosedale PS. Ms Lauver had students in the garden beds mapping and exploring whether current conditions support the growth of plants. On the same day, she met with the Sustainability Officer from Wellington Shire and met staff from Gippsland Tech who took a soil sample from the garden beds.

Ms Lauver is in the process of organising a working bee to clear the weeds from the garden beds, stay tuned for further details.

Mrs Robie has secured a partnership with Royal Botanic Gardens Victoria to engage us in growing a threatened local species of flora, the Grey Billy Button. Students will learn so much about the importance of preserving native wildlife and plant life through this process.

Ride 2 School Day

We have registered for Ride 2 School Day on Friday 24 March. Mrs Robie and Mrs McGovern will meet students at the playground in the Prince Street Reserve from 8:30am on the morning of the event.

School review

We have important upcoming dates as part of our school review process. On Tuesday, 7 March, our school reviewer and panel members will visit the school and conduct fieldwork. As part of this process, they like to speak directly to parents to gain further insights into school operations. We will be having a Parent Forum from 2:45pm on that day. We will advertise this prior to the event, as the more parents and carers that come, the more the reviewer will learn.

Parent Volunteers

We held our first Parent's Club and Canteen Committee meeting on Friday. We had a terrific turn out, with more offers of support from parents unable to attend the meeting. As a result, we are opening the Canteen this Friday, 17 February.

During the Parent's Club meeting, we also discussed potential fundraising events and community days for 2023. We will provide further details and updates in the weeks to come. Anyone who is able to volunteer is welcome to contact our front office for further information.

Have a great week.

Regards,
Brett Wilson

VOLUNTEERS NEEDED FOR CANTEEN AND BREAKFAST CLUB!!!

REUSABLE LUNCH ORDER CANTEEN WALLETS

Rosedale Primary School is selling reusable lunch order bags as a way to substantially reduce the amount of paper waste into the environment. They are so easy to use and easy to clean. They just make life easy. The bags are compact, funky, fit easily within school bags and have been designed to replace paper bags. The Lunch Wallets are re-usable canteen bags made of non-woven polypropylene. They are durable and easily wiped clean with a damp cloth. Not to forget keeping money in a safe separate pocket so that it is not lost or coming in contact with food. If you are a parent looking for a practical alternative to the paper bag and to reduce paper waste in our school then a Lunch Wallet is a perfect choice! Lunch wallets cost \$10.00 and a sample is available in the school office if you wish to view one before purchase. Please return your order and money by Friday 24th February 2023 Thanks, Canteen Committee

ROSEDALE PRIMARY SCHOOL ATTENDANCE

EVERY DAY COUNTS

OUR GOAL IS GREATER THAN 95% ATTENDANCE

WE ALL WANT OUR STUDENTS TO GET A GREAT EDUCATION AND COME TO SCHOOL EACH AND EVERY DAY. MISSING SCHOOL CAN HAVE A MAJOR IMPACT ON A CHILD'S FUTURE – A STUDENT MISSING ONE DAY A FORTNIGHT WILL MISS FOUR FULL WEEKS BY THE END OF THE YEAR. BY YEAR 10 THEY'LL HAVE MISSED MORE THAN A YEAR OF SCHOOL. THERE IS NO SAFE NUMBER OF DAYS FOR MISSING SCHOOL – EACH DAY A STUDENT MISSES PUTS THEM BEHIND AND CAN AFFECT THEIR EDUCATIONAL OUTCOMES. IF FOR ANY REASON YOUR CHILD MUST MISS SCHOOL, PLEASE LET US KNOW SO THAT THEY CAN BE MARKED ABSENT FOR THE APPROPRIATE REASON. OUR GOAL FOR ALL STUDENTS AT ROSEDALE PRIMARY SCHOOL IS TO HAVE LESS THAN 10 DAYS ABSENT PER YEAR. LOOK FOR THE GREEN TICKS OUTSIDE CLASSROOMS DAILY TO SEE WHICH ROOMS HAVE A FULL HOUSE.

PHOTOGRAPHING, FILMING AND RECORDING STUDENTS POLICY

PURPOSE:

To explain to parents/carers how Rosedale Primary School will collect, use and disclose photographs, video and recordings of students, how parent/carer consent can be provided and how it can be withdrawn.

SCOPE:

This policy applies to the general collection, use and disclosure of photographs, video and recordings (images) of students. It does not cover the use of Closed Circuit Television (CCTV).

POLICY:

This policy outlines the practices that Rosedale Primary School has in place for the collection, use and disclosure of images of students to ensure compliance with the Privacy and Data Protection Act 2014 (Vic). It also explains the circumstances in which Rosedale Primary School will seek parent/carer consent and how consent can be provided and/or withdrawn.

As a general rule, use relates to images which are shared and distributed only within the school for school purposes (i.e. ID photos, Compass), whilst disclosure is used for images which are shared and distributed outside of the school staff and are available to other students, parents/carers and the wider school community.

Rosedale Primary School will ensure that parents/carers are notified upon enrolment and at the commencement of each school year of the ways in which our school may use images of students. There are many occasions during the school year where staff photograph, film or record students participating in school activities or events, for example classroom activities, sports events, concerts, excursions, camps etc. We do this for many reasons including to celebrate student participation and achievement, showcase particular learning programs, document a student's learning journey/camps/excursions/sports events, communicate with our parents/carers and school community in newsletters and on classroom blogs/apps/insert etc].

Rosedale Primary School will use student images reasonably, appropriately and sensitively, consistent with our obligations under the Child Safe Standards and our school's Child Safe Policies. If at any time a parent/carer or student has a concern about the use of any images they should contact the Principal on 0351 992473 or rosedale.ps@education.vic.gov.au.

In addition to the processes outlined below, parents/carers can contact the Principal at any time to withdraw their consent for any future collection, use or disclosure of images of their child. However: if the images have already been published and are in the public domain, it may not be possible for consent to be withdrawn.

There may be occasions when the school will record whole of school or large group events [and make those recordings available to the school community through DVD sales etc], such as the school concert, speech nights, sports events etc and if your child participates, they may appear in these recordings which will be available to the whole school community.

The school can still collect, use and disclose images in circumstances where consent is not required (see below for more information).

OFFICIAL SCHOOL PHOTOGRAPHS:

Each year Rosedale Primary School will arrange for official school photographs of students and staff to be taken. This will generally involve both class photos and individual photos being taken.

Official school photographs may be:

- purchased by parents/carers

- used for school identification cards

- stored on CASES21 and Sentral for educational and administrative purposes.

Rosedale Primary School will notify parents/carers in advance of the official school photographs being taken to give them an opportunity to decide whether their child will be included in the official school photographs.

Parents/carers who choose to opt-out of having their child participate in official school photographs must contact the School Office on 0351 992473 before the date photos are scheduled to be taken to advise that their child will not participate. There is no obligation on any parent or carer to purchase any photographs taken.

IMAGES FOR USE AND DISCLOSURE WITHIN THE SCHOOL COMMUNITY AND ORDINARY SCHOOL COMMUNICATIONS:

From time to time Rosedale Primary School may photograph, film or record students to use within the school community, including:
in the school's communication, learning and teaching tools (for example, emails, classroom blogs or apps that can only be accessed by students, parents or school staff with passwords eg Compass, Class Dojo etc)
for display in school classrooms, on noticeboards etc
to support student's health and wellbeing (eg photographs of pencil grip to assist in OT assessments)

An Annual Consent Form and Collection Notice will be distributed to parents/carers on enrolment and also at the beginning of each school

IMAGES TO BE USED OR DISCLOSED OUTSIDE THE SCHOOL COMMUNITY:

External use or disclosure by the school
Photographs, video or recordings of students may also be used in publications that are accessible to the public, including:
on the school's website including in the school newsletter which is publicly available on the website
on the school's social media accounts

The Annual Consent Form and Collection Notice also covers these types of uses and will be distributed to parents/carers on enrolment and also at the beginning of each school year. We will notify you individually if we are considering using any images of your child for specific advertising or promotional purposes.
photographs, films or records a student for any of these purposes, staff will only collect and use such images in a way that is reasonable and appropriate in the circumstances.

STAFF USE OF PERSONAL DEVICES

School staff may use their own personal devices to capture images of students for reasonable and legitimate educational purposes. If this occurs, staff are expected to upload the images to the school database and delete the images from their device within a week of the images being captured.

COMMUNICATION:

This policy will be communicated to our school community in the following ways:
Annual reminders in our school newsletters
Included in staff induction processes and staff training
Included in staff handbook/manual
Discussed at staff briefings/meetings, as required
Included in transition and enrolment packs
Discussed at parent information nights/sessions
Hard copy available from school administration upon request
