We foster a friendly learning community who conducts itself with acceptance, integrity and respect in a positive, challenging and engaging environment.

Dear Parents and Carers,

SCHOOL CLOSURE DAY

This Friday, May 27, we have a school closure day to participate in professional learning on the effect trauma can and does have on our students. With a major focus on wellbeing and mental health this year, we need to be aware of the experience's students have lived through and the impact those experiences have on their ability and capacity to learn. We take the time to learn more about trauma and how we can adapt our practices to support students who have lived through traumatic experiences. We are also learning about Zones of Regulation. This provides us with another tool to support students' ability to recognise their emotions and develop strategies to situate themselves in the optimal zone for learning.

NAPLAN

Well done to our Year 3 and Year 5 students who participated in NAPLAN testing. The testing window has now closed. Student results will be forwarded to parents later in the year

CAMP

Our Year 3-6 students depart for camp on Monday, 31 May and return on Wednesday, June 1. The bus will depart promptly at 9:00am, students who are late will miss out. The predictions suggest there will be inclement weather so make sure your child/ren are suitably dressed. There is an air of excitement, and we know the kids will have an amazing time. Check in with ClassDojo for updates

CYBER SAFETY

On Thursday, June 2, we are joined by Leading Senior Constable Sarah Reggardo to talk to the students about Cyber Safety. We welcome follow up discussions at home as this is a very important topic and becoming a greater threat to the wellbeing of our children.

ACADEMIC REPORTS

Finally, an update to inform you that teachers are busily preparing comments and continuing assessment for Semester One reports. We will be emailing reports to parents and carers this year, marking a change from mass printing. Reports will be generated in the final week of term. We will contact families to see who requires a paper copy.

EXCURSIONS AND INCURSIONS

Our Prep, Year 1 and Year 2 students will participate in a Museum Victoria travelling Dinosaur exhibition on Tuesday, June 7. This follows on from the Alphabet of Awesome Science Show, which the students raved about. We have been lucky to be able to offer a free camp, sporting activities and incurSIONs. If payment is required from parents, we always aim to keep costs at a minimum.

WEBSITE AND COMMUNICATION

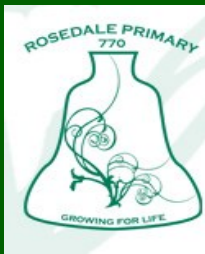

Please be aware that we are in the process of updating our website and our parent communication platform. We will be moving away from an over-reliance on paper as a means of communication. When changes are closer to being enacted, we will communicate with our community to assess who requires paper documents so that families without access to the internet are not disadvantaged by these changes.

Have a great week.

Kind Regards,
Brett

EVERY DAY COUNTS

We all want our students to get a great education and come to school each and every day. Missing school can have a major impact on a child's future – a student missing one day a fortnight will miss four full weeks by the end of the year. By Year 10 they'll have missed more than a year of school. There is no safe number of days for missing school – each day a student misses puts them behind and can affect their educational outcomes. If for any reason your child must miss school, please let us know so that they can be marked absent for the appropriate reason. Our goal for all students at Rosedale Primary School is to have less than 10 days absent per year. Look for the green ticks outside classrooms daily to see which rooms have a full house

Rosedale Primary School is taking a stance to Bullying.

Over the past two weeks Jacqui has been working with the senior grades in delivering our Bullying Prevention curriculum. Jacqui is currently discussing ways to recognise and respond to bullying behaviour by embedding a three step response: Stop - tell them you don't like their behaviour and ask them to stop; Walk - walk away from the problem behaviour; Then, if the problem doesn't stop Talk - talk to a trusted adult and ask for support. This curriculum will soon be delivered to our junior grades to assist in helping to make our school community a safe and happier place

If someone treats you in a way that is disrespectful to our school values
WE STOP, WALK & TALK AT ROSEDALE PRIMARY SCHOOL

Ask them to:

STOP

Tell them you don't like their
behaviour and ask them to STOP

NEXT

WALK

Walk away from the
problem behaviour

THEN

If the problem behaviour
doesn't stop

TALK

Talk to a trusted adult
and ask for support
