We foster a friendly learning community who conducts itself with acceptance, integrity and respect in a positive, challenging and engaging environment.

Welcome to the midway point of the term! We are now beginning to settle with quite consistent calm in classrooms and wonderful teaching and learning going on. This is due, of course, to our hard-working staff members. Their time, energy and dedication was on show at the Parent Information Session this week where teachers and education support staff contributed to our presentation and to cooking a barbeque for our families. It was terrific to have the community back in the school, with more events to come.

The next event planned is our Athletics Day. This is scheduled for Tuesday 22 March. Ms. Campion is organising the event and details will be forwarded shortly. Of course, we will need community support with recording placings and points so we can award house points to the eventual house winner. We will let you

know how you can get involved prior to the day.

Volunteers are essential in any school. As the saying goes, ‘it takes a village to raise a child’. We are fortunate to have had some of our parents already supporting the school through our first school council meeting. I have had discussions with parents and carers around re-starting the school canteen. This service can only be provided with the support of our families. Next Friday, 11 March at 2:15pm, I will be hosting a light afternoon tea/coffee to invite and induct parents as volunteers, all are welcome. If you are unable to make that date, I will repeat the experience a fortnight later on 25 March. We will go through the process of induction, letting volunteers know requirements to be in attendance at the school. We can also begin discussions around

operating the canteen and begin to consider commencement dates. I am meeting with Lyndon and Elaine this week to also discuss the reinstatement of Breakfast Club, another example of the amazing contributions people in our community make to the wellbeing of our students.

Please remember to book your Parent-teacher Interview. They are scheduled for Wednesday 16 and Thursday 17 March. There are still plenty of times available to connect with your child’s/ren’s teacher. Teachers will be giving you insights into student learning in key learning areas and also social and emotional information about your child. To make a booking: Go to www.schoolinterviews.com.au and enter the code **8sk9a**.

Newsletters come out fortnightly on Fridays. Copies are available online via Facebook, or our school website. They will also be emailed to you upon request.

EVERY DAY COUNTS

We all want our students to get a great education and come to school each and every day. Missing school can have a major impact on a child's future – a student missing one day a fortnight will miss four full weeks by the end of the year. By Year 10 they'll have missed more than a year of school. There is no safe number of days for missing school – each day a student misses puts them behind and can affect their educational outcomes. If for any reason your child must miss school, please let us know so that they can be marked absent for the appropriate reason. Our goal for all students at Rosedale Primary School is to have less than 10 days absent per year. Look for the green ticks outside classrooms daily to see which rooms have a full house
