SCHOOL NEWS

OFFICIAL NEWSLETTER OF ROSEDALE PRIMARY SCHOOL

PRINCIPAL'S MESSAGE

Dear Parents and Carers,

Cross Country

Congratulations to Amarlie Rogers and Angus Drummond for representing us at the Gippsland Region Cross Country event in Drouin on 6 June. Although they didn't qualify for the State Cross Country, we are incredibly proud that they qualified through two cross country events prior to Drouin. Amarlie participates in Little Aths and Angus is a keen footballer and cricketer demonstrating amazing athletic skills to qualify for the Gippsland Region event. Well done!

Civics and Citizenship

Our Year 5/6 students have been flying the flag for our community, engaging with the Federal Member for Gippsland, Darren Chester and the local Member, Danny O'Brien to press our case for a Pump Track. Students have been learning about levels and responsibilities of Government and connecting this knowledge to a local issue. On Wednesday 12 June, we were visited by both MP's. Students hand delivered letters stating our reasons for government support to get the pump track built without the need for town/resident funding. This has capped off an excellent term of learning, where students visited Parliament House and investigated a global issue. Both Danny and Darren informed us funding comes from the Council. Local Council elections take place in October, so this might be a good time for the entire community to lodge a claim.

2024 TERM 2 & 3 DIARY DATES

June

Tuesday 25th

Grade 5/6 Celebration of Learning

Wednesday 26th

Grade 1/2 Celebration of Learning

Thursday 27th

Last Day Term 2

Friday 28th

Curriculum Day

July

Monday 15th

Term 3 begins

Monday 22nd

Swimming commences

Monday 29th

Swimming Continues

Wednesday 7th

ATSI Children's Day - Knob Reserve

Transition Program

Our Year 6 students had their first transition day at Sale College last week. We also conducted a third Kinder to Prep session, with Ms Lauver leading kinder kids through a PE and PMP session. Year 6 parents should have nominated their chosen secondary school by now. Prep 2025 parents need to submit enrolment forms by 26 July 2024.

School Closure

A reminder the school is closed on the final day of term, Friday 28 June.

Celebration of Learning

We invite our community into classrooms in the final week of term. We will confirm dates shortly, students from Prep - Two have focussed on Health, while Years 3-6 students have learnt about Civics and Citizenship. We look forward to sharing student learning with you.

Have a lovely week everyone.

Regards,

Brett Wilson

COOKIE DOUGH FUNDRAISER

Thank you to all the families that have purchased Billy G's Cookie Dough. We have raised over \$1,800! The collection day will be on

Monday 17th June,

To collect your purchase please go to Rosedale Primary School Library. The Fundraising group will be there to help you.

It is extremely important that all families collect the dough on Monday 17th June as we do not have a room to store the dough for you, as it requires cold storage.

ATTENDANCE LADDER!

Congratulations
Room 1 for
taking top spot
on our ladder!!

Well done Room 2
for improving
your attendance!

Room 1
91.81%

Room 9
91.20%

Room 6
88.37%

Room 2
86.84%

Q. Why is arithmetic so heavy?
A. Because you have to carry numbers all day.

FLAIR AWARDS

Congratulations and thank you for demonstrating our School Values!

Friendship

Kayley

Learning

Odin

Acceptance

Henry

Integrity

Aiden

Respect

Happy Birthday!!
June

20th	Clay
22nd	Logan Marnie
27th	Zachary Aiden

REMEMBER

Cookie Dough

Collect your cookie dough

Monday, 17th June
from the school library.
We will not be able to store the dough longer than this so don't miss out!

Curriculum Day

Just a reminder that Thursday, 27th June is the last day of Term 2. Friday, 28th June is a curriculum day and students are not required to attend.

Canteen

No canteen the last Friday of Term 2 as it is a student free day.

Celebrations of Learning

We are having Celebrations of Learning again!

Tuesday, 25th June

Grade 5/6

Wednesday 26th June.

Grade Prep

Grade 1/2

Grade 3/4

Please come and see your child's amazing work!

Swimming Program

A reminder to consent/pay for our swimming program next term.

Sessions run for 8 days between the 22nd July - 25th July and 29th July -1st August

Q. Why do magicians always do well in math class?
A. They can handle trick questions.

Aussie of the Month

Room 6 students were asked to nominate someone for Aussie of the Month. They were encouraged to consider worthwhile values, and to ensure their writing was as technically correct as it was meaningful.

I think the Aussie of the month should be Sally. She demonstrates all the flair values. Sally is a helpful and generous friend.

Marcie

I think Aussie of the Month should be Amie because she never talks when Mrs. O is talking and is a really good friend. She always tries her best in learning and never gives up.

I think the Aussie of the Month should be Henley. Henley is a good learner and he follows the school rules. He's a good listener and gets his work done quietly and quickly.

Airlie

I think the person who deserves Aussie of the month is Amie. She listen to important details in each session. She respects what choices you make. Amie doesn't care about changes never been mean.

Mia

Marcie is thoughtful and kind even she helps people when they are hurt and crying and when they miss their mom.

She wants to be their buddy. She includes people

Izzy

Zachary always has a good humour and always laughs when you make a joke when it isn't funny. He is always nice to you even when you're mean to him. He dose integrity every day.

Knox

Theo because he used to get upset really easy but now he calms himself down. He's respectful because he listens when we need to learn.

Oakley

I think the Aussie of the Month should be Parker because last year he was always silly but this year he has bin concentrating and has bin kind to other people and has chon integrity.

Amie

I think the person Lucy should get learner of the month because she looks and listens and is a good friend. She accepts challenges.

Zachary

I think Amie should have Aussie of the Month. She always listens. She follows instructions. She does not call out. She is respectful, fun and full of energy.

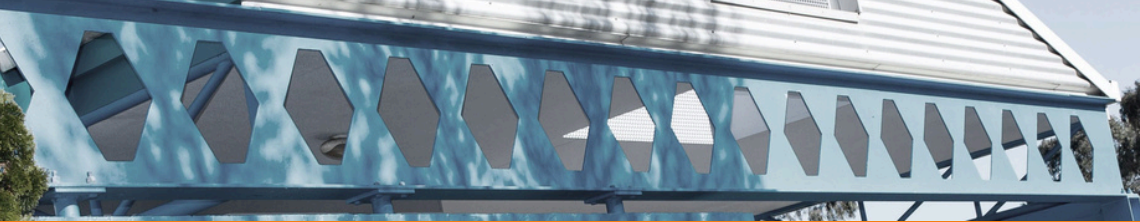

Sally

I choose someone that is a friend that person tries hard and never gives up and that person is Zachary.

Parker

Q. What animal isn't allowed to take an exam in school?

A. A Cheat-ah

Out and About

We had an amazing day in Melbourne, extending our Year 5/6 students' understanding of civics and citizenship by taking them to the heart of law making and democracy in Victoria, Parliament House. Students discussed the roles and responsibilities of the three levels of government, donned the robes and engaged in role play debating the introduction of a new bill in the House of Representatives before moving to the Senate to see where the bill moves to next.

Well done to our Year 5/6 students, representing Rosedale PS at the HDSSA Winter Sports. Our Netball team won every match!! Our Soccer team won two games and our Football team displayed amazing sportsmanship and team work. Our students, as always were noted for their respectful behaviour.

Mrs Robie and student leaders from Year 5/6 travelled to Glengarry Primary School today to support and extend the Raising Rarity Program. They joined Cranbourne Botanical Gardens staff in working with Glengarry PS teachers and students to learn about the Grey Billy Button. Thanks to Mrs Robie for providing our students with this incredible learning opportunity. Students shared their experiences with Glengarry students and represented Rosedale Primary School proudly.

Q. Why is six scared of seven?
A. Because seven, eight (ate), nine.

It's Not Ok To Be Away

Attending school on a regular basis is vital for all students in Prep to Grade 6 so that they can access all they need to learn throughout their 7 years of primary schooling. This attendance is related to curriculum in that if the students have a high absence rate, their immersion in the curriculum is severely reduced. Please read the information below with regards to absence rates and consider the number of days your child has absent from school:

The wider school community, parents and students need to fully understand the impact of missing too many school days. If a student has a day off, once a fortnight, this would add up to 20 days in a school year (approximately 40 weeks in a school year). 20 days is the same as missing a tenth of a school year.

This would be equal to missing a year of schooling up to Year 10.

A key message that needs to be embraced by schools, parents, and the wider community is that "It's Not OK to be Away". The 'fallout' of poor attendance is very real. These students will be at risk of not achieving their potential and therefore limit their life choices.

Also, other real consequences are:

- Social isolation
- Will have gaps in their learning of knowledge and basic concepts
- May feel insecure in the school environment
- More likely to leave school early
- Could lead to school refusal further in their education
- May place themselves at risk of harm while absent

When you consider the above, schools, parents and the wider community need to work in partnership with each other to ensure students enjoy school success and as a consequence more enriching life choices. We appreciate that there are times when students are ill, but we are outlining the importance of those other times that absences occur.

IT'S NOT OK TO BE AWAY!

How many days of school has your child missed?

10 days or less off per year
95% or above -
Awesome attendance

11-20 days

This is poor attendance.

A child with this attendance rate could miss up to 2 years of schooling between Kindergarten and Year 10.

20+ days

This is concerning attendance.

A child with this attendance rate could miss up to 2½ years of schooling between Kindergarten and Year 10.

Why attendance matters

When your child misses school they miss important opportunities to...

Learn

Build friendships

Develop life skills

ATTEND TODAY ACHIEVE TOMORROW

Q. What does an Elf learn at school?

A. The Elf-A-Bet

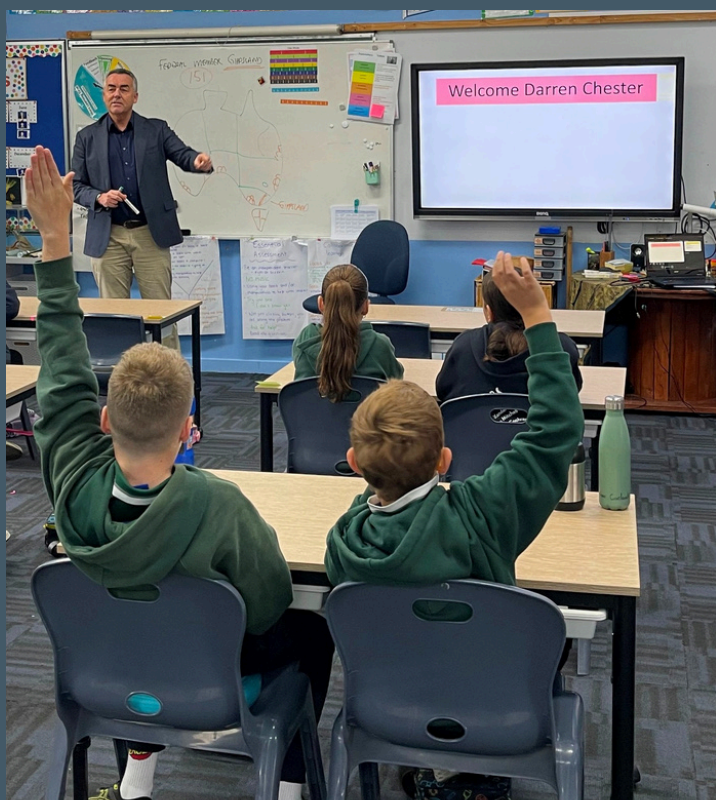

PARLIAMENT VISITS

ROSEDALE PRIMARY

Darren Chester attended Rosedale Primary to receive letters our school leaders have written in support of the Pump Track.

During a recent visit to parliament Matthew gave a speech regarding the proposed Pump Track. Matthew's speech to parliament was filmed and used as an entry for the Parliamentary Prize. The Parliament Prize is an annual competition delivered by the Victorian parliament that gives students an opportunity to talk about issues that are important to them. Students are asked to consider what they would say to parliament if they were an MP and record their own 90-second Member's Statement video.

"Thanks to the speaker, I rise to inform you of the Rosedale pump track... The federal or local government has paid only half for the pump track, why would they only pay half? The community needs a pump track and if they don't get one, they will protest. Seaspray has only 328 people, and it was paid fully. And Rosedale has 1993 people and were only paying half? That's ridiculous for such a small town and if we pay fully, they would be absolutely elated to see a pump track in their own town! The people of this small town want the pump track so badly that they would get depression if it was cancelled, it would take a lot of money paying for therapy because of this. So, if you pay fully, not only people will save money from driving their cars less to get to other towns that have one, but also from therapy because people will get depression if we don't pay fully. About 95% of people in Rosedale that own bikes will be ecstatic when they will see it and it won't cost us much so why wouldn't we give a pump track to these people? How about we also pay half or negotiate for the part of government that paid half to make them pay full? Thanks for letting me speak about this Speaker."

Q. What's a snake's favorite subject?
A. Hisssssssstory

Before, After School Care & Vacation Care

After School Care Routine

3:30pm - 4:00pm

Put away school bags, roll call, wash hands and have afternoon tea.

4:00pm - 4:30pm

Homework supervision, reading or other quiet activity and Free Time.
