OFFICIAL NEWSLETTER OF ROSEDALE PRIMARY SCHOOL

Principal's Comment

Dear Rosedale Families,

Teacher Learning

On Tuesday the 24th of February all staff will be attending a Professional Learning Day at Yarram Primary School led by Bron Ryrie Jones – a leader in the field of science of learning, explicit teaching and responsive teaching practices. This day is a student free day as no teaching staff will be on site.

School wide positive behaviour

Across the school there has been a focus on explicitly teaching our students expected behaviours as expressed in our whole-school behaviour matrix. This matrix is built around our school values, Respect, Resilience and Responsibility. Students are receiving frequent praise and acknowledgement when they demonstrate and follow these expectations.

As a staff we decided to award students dots or sections of a bell (just like the school logo). 1 bell is the cumulative total of 5 positive recognitions. On a Monday students can exchange their bell for a reward from the school shop (set up in the canteen). We have held two shop days so far and it has been a huge success and source of excitement across the school.

When behaviour expectations are not met, staff are using consistent responses (derived from the departments Positive Classroom Management strategies) to redirect students to show the expected behaviour.

Students that have not responded to multiple re-directions are being scheduled in for the Reflection Room at lunch time. During this time students are guided through practicing the expected behaviour or completing learning tasks as requested by classroom teachers. Parents are being notified of their child's attendance in reflection via an email from Mrs Ross or Mrs Bickley.

The entire staff are reflecting on the implementation of SWPBS in Tuesday's meeting to ensure that clarity and consistency is achieved across the school. We are already seeing calmer classrooms and students becoming responsive to the language being used to acknowledge and re-direct behaviour at school. This is an important stage in the school year to set us up for a successful year of learning!

Join Our Parent's Club!!

Rosedale Primary School Parent's Club are a volunteer group of parents who help organise and run various events and fundraisers for the school throughout the year. We meet once or twice a term to discuss upcoming events and new ways we can help contribute around the school. We are always welcoming new members, please speak to the office if you'd like to join.

Can You Help?

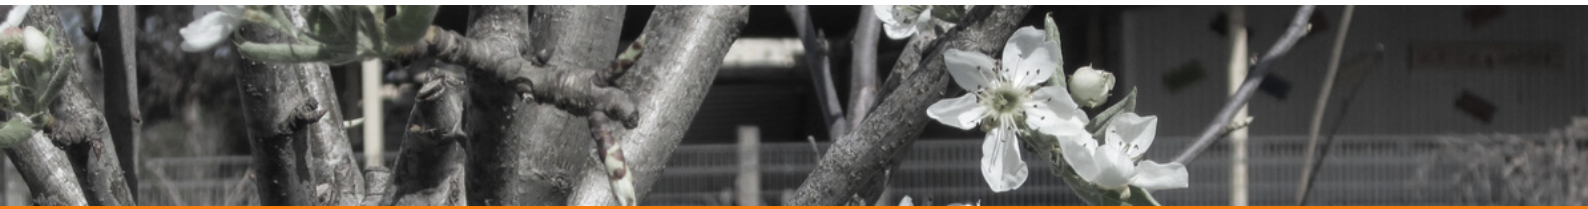

We would like to restore our Chicken Coop for the students. Please let us know if you can donate any of the following:

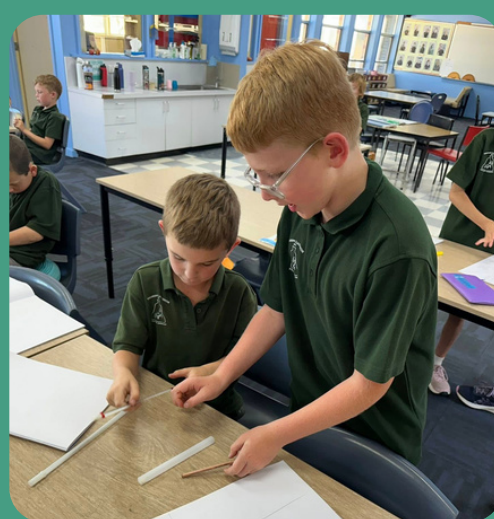

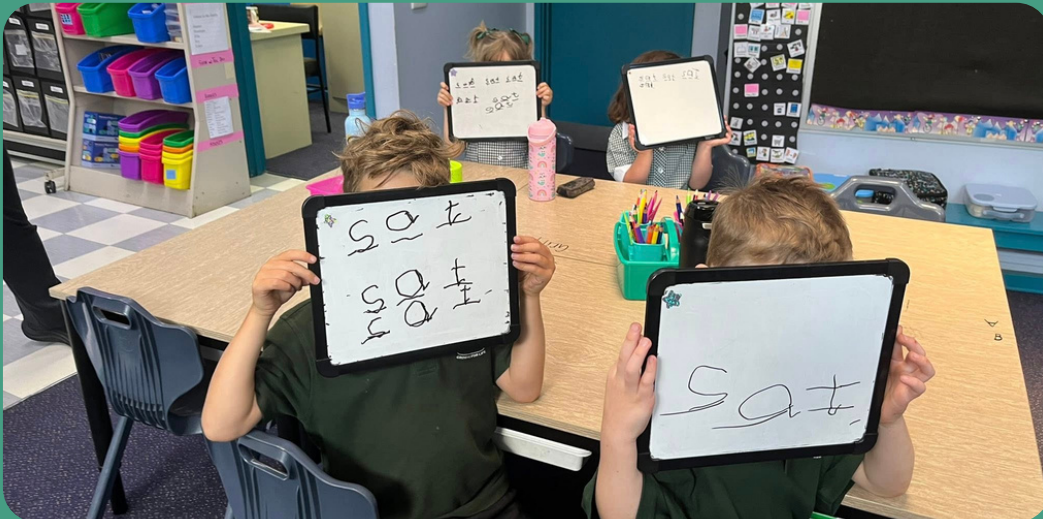

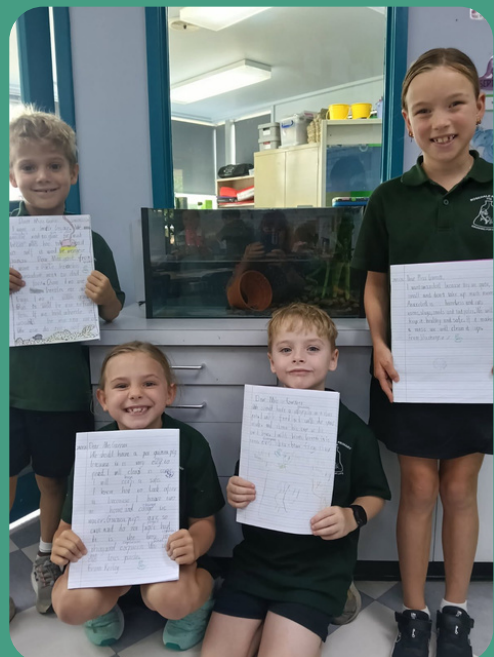

Chicken wire is the main thing - the current wire is not fox proof.

Consumables like bedding and feed would be appreciated. Please contact Sav or the office if you can help.
