OFFICIAL NEWSLETTER OF ROSEDALE PRIMARY SCHOOL

## Principal's Comment

Dear Rosedale Families,

It has been a busy and rewarding end to the term at Rosedale Primary School, with many opportunities for our students to engage in learning, sport and community connections.

Our Junior School Council has been working closely with Liam Cole from Wellington Shire Council to plan potential updates to the Prince Street Reserve. This has been a valuable opportunity for students to develop their voice and contribute to decisions that impact our local community.

We are incredibly proud of our students who represented the school in the HDSSA basketball competition. They demonstrated outstanding sportsmanship, always trying their best and supporting one another throughout each game. Their teamwork and positive attitude were a credit to our school.

Our recent House Athletics event was another highlight, with strong participation and enthusiasm from all students. A special thank you to Barbara for her organisation and coordination of this successful event.

Celebration of Learning

On the 31st of March, all staff participated in First Aid training. This is an important part of ensuring we maintain a safe and well-prepared learning environment for all students. Our Year 5 students have continued to build connections with their future buddies through their second visit to the Rosedale Kindergarten. These visits are an important part of supporting a smooth transition to school. We look forward to welcoming the kindergarten students to our school next term, where they will begin to explore our specialist programs and become familiar with the school environment.

Looking ahead to next term, our curriculum focus will include Civics and Citizenship, as well as Health. Teachers across the school have collaboratively planned engaging and integrated learning opportunities to support student learning in these areas.

As we approach the end of term, I would like to thank our students, staff and families for their ongoing support. I wish everyone a safe and happy Easter break, and we look forward to seeing you all and ready for the new term.
