SCHOOL NEWS

OFFICIAL NEWSLETTER OF ROSEDALE PRIMARY SCHOOL

Principal's Comment

Dear Rosedale Families

It has been wonderful to see our classrooms feeling calm, settled and ready for learning as we begin the year. Students have returned with positive attitudes, and classrooms are buzzing with eagerness for the new school year.

A key focus at the moment has been building strong relationships with students and explicitly teaching our school values of Respect, Resilience and Responsibility. Teachers are modelling and reinforcing these values daily, and students are responding beautifully. We have also introduced a positive recognition system to celebrate students who consistently demonstrate these behaviours. We are very excited to be running our first school values shop next week as a reward for these positive choices.

Our teaching and learning focus for the year continues to centre on using data to better understand and support each student's learning needs. Throughout 2025, teachers have worked hard to adjust to the Victorian Curriculum 2.0 and to implement standardised assessments that provide valuable insights into student progress. This data allows teachers to tailor learning experiences and ensure every student is supported to achieve their best.

Finally, a huge thank you to the Rosedale Parents Club for the morning tea they put on for our Prep parents last Thursday and to Jaqui Drummond and Cherie Stephens for their incredible efforts in cleaning the school stadium. Your time and care are noticed, and we thank you for your support of our school community.

Sarah Bickley
